1. Who will/can believe my report, my report of what I've done, not; what I'm about to do, not; what I've done, done again, now doing for all who want me. See what I am saying, offering, stating; and whoso can deny my sentencing, not; but my all-allocation that I've made to all; and no one stands without me/my all, who want me, who stained not my blood but has/accepts life real and true because of it/through it.

2. All stands still not but see the ships in harbor not, sunk throughout the world in seas of not-me. And where can they be not sea'd? I love you. And where will I be in/when chaos reigns and I am peace? In my father's house are many mansions, if it were not so I would have told you. I go to prepare for you a place that where I am there you can be also. The time is now. England is my name/place and the clock strikes twelve, not; me, my clock being/bowing to/in me. I love you.

3. This is the moment, time; and who can see the land sea'd, not; sea, land'd?
4. I love you. You can, you do/will, you reign on all. Time is irrelevant/unimportant and not having a hand in my affairs, bows out, never to regain relevance of importance again, ever. Amen.

5. I love you now. I love you all. See the imperative nature of my call/request that now permeate the airwaves, not; but does. Immaculate conception only me/mine. Mine conceiving me that conceived me didn't, yea did, forgot, incarcerated became, now one/delivered again, seeks/sees/realizes freedom from oppression real. White slavery, not; humankind. I love you all.

6. This is the moment time and all clashes/cataclysmically clashing does, all with each other, not; forces of me not me/not-me, not; me. I love you all.

7. This is the moment of me/my appearing in me and whoso Isaiah can see/can see Isaiah real and true on their doorstep, with a meal, mine; for you? I love you. One can. I know.
8. I love you.

9. You walk into London, not; you fly with me/ours.

10. Let not your heart be troubled. You believe in me. I have her held for you. I love you all/both. And now you permeate the troubled, not; but alleviating much pain, suffer not at her loss, there isn't one.
11. I love you friend, see what I've said/given you/her/ya'll.
12. Thank you for receiving me/my all/kingdom.

13. You are kingdom one now and forever.
14. One Ted. One now. One later. One forever'd.

19. I love you/now and always forever. Me.

20. Estranged, not, thou art holy and she is beside/within you, her.
21. I love you both/ya'll. Amen.

22. See not another, solitary confinement not; understanding my kingdom all, now is/given you. Enter me, not another. Woo-ers come. Deny them/me not. I have given you all/everything/all time, all are me who want me/us, surrendering only/in, only, us. Me. Thank you. Amen.

23. Seek not another.
24. Force one loves you, there is no other/alternative.
